NEW TALENT:

**ALL DRESSED UP**

This Singaporean label excels at creating soft silhouettes with lots of flounces, pleats, and careful draping. It adheres to a largely earthy color palette, resulting in pieces that manage, despite all their elegant details, to be wonderfully subtle.

we all want a... **tribal necklace**

This is as unstudied as statement jewelry gets: large stones, set into finely worked leather. The effect is clean, graphic, and—quite effortlessly—makes an outfit in an instant.
